**“STEPPING FORWARD DURING UNEXPECTED CHANGING TIMES”**

What can you do when things are not exactly flowing according to plan? When lives are at stake, and you don't have what you thought you needed. The medicine cabinet is empty, the energy technique toolbox, as you know it, has been exhausted and your emotional currency is spent.

Join me for a first-time public sharing of a real-life cosmic healing experience from the Fall of 2023 and the brand-new capability that opened my heart. Proving to me, that we as humanity, really are on the dawn of an amazing threshold, and that we All have the capacity for greater, more stunning harmonious alignment and the miraculous. We've got this!

**PRE-CONVENTION 7 HR. WORKSHOPS - APRIL 19 (select one)**
