THE JOURNEY OF SERVICE

For so many Leaders throughout the world, the idea of being of service starts young, or during a traumatic time. There are many reasons why some people become Leaders and spend their life teaching, learning, and being of service to all that they encounter in their lives. Being of service doesn't mean being famous, it doesn't mean being wealthy, it means holding others in respect and love. I'm sure you've known many, and maybe YOU fit this category, but let's take time to recognize a wonderful group of people, who happen to be members of a family who have chosen the life of Service. Be inspired, live your life of service! **Post-Convention: Group Cellular Cleansing with Pattie.** April 9th, Discounted price for convention students \$1250. Register through Patti's office or after your arrival.
