CYNDY (GREEN) LEE

ANGEL MESSAGES

What are Angel Messages/Billets? These are open group readings, where anyone in the audience can receive a message from spirit. They are a demonstration of communication between angels, spirit guides, loved ones in spirit, and us. Cyndy is a spiritual intuitive medium. To greatly simplify what happens, Cyndy is like a telephone operator, sharing messages from heaven or spirit to us on earth. Messages can be from angels, spirit guides, universal teachers and saints, from family, a friend, or loves ones who have crossed over. Even our pets in the spirit world show up from time to time!

Angel Messages group reading is a great place to learn about spirit, how they speak to us, how to understand symbols and messages from spirit. Deepen your own intuitive pathways. Don't believe? That's ok! Angel messages is always a good time and think of it as entertainment! Bring your camera to get spirit pics!

CHRIS GOIN

Manifesting Health, Wealth and Happiness by Dowsing the Chakras

Monday, Sept. 9th. In this class we will learn different ways to dowse the chakras in order to manifest health, wealth and happiness. We'll learn how to recognize what is holding us back for ourselves or others.
