Saturday Keynote **CYNDY GREEN - ANGEL MESSAGES**

Have a question for a loved one who has passed? During Cyndy's open group readings, anyone in the audience can receive a message from spirit. Messages can be from angels, spirit guides, universal teachers and saints, from family, a friend, or loved one crossed over. Even our pets in the spirit world show up from time to time! Your angel message may include information on job, home, love or health. It may be a personal message from someone in spirit to you, it may be your angel nudging you towards growth...we never know what spirit is going to say or bring up. Some messages are lighthearted and airy, others are specific to you and so deep and amazing you can feel spirit in the room. Come with an open mind and heart! Anything is possible with God and spirit! **7:30pm, Sept 7th**
