❖ **CYNDY (GREEN) LEE** [WWW.CYNDYANGELMESSAGES.COM](http://WWW.CYNDYANGELMESSAGES.COM)  
**ANGEL MESSAGES**

What Are Angel Messages/Billets? These are open group readings, where anyone in the audience can receive a message from spirit. They are a demonstration of communication between angels, spirit guides, loved ones in spirit, and us. Cyndy is a spiritual intuitive medium. To greatly simplify what happens, Cyndy is like a telephone

operator, sharing messages from heaven or spirit to us on earth. Messages can be from angels, spirit guides, universal teachers and saints, from family, a friend, or a loved one who has crossed over. Even our pets in the spirit world show up from time to time!

Angel Messages group reading is a great place to learn about spirit, how they speak to us, how to understand symbols and messages from spirit. Deepen your own intuitive pathways. Don't believe? That's ok! Angel messages is always a good time and think of it as entertainment! Bring your camera to get spirit pics!

**Cyndy Lee - Oklahoma.** Cyndy has been a seeker of spirit since she was 18, spending the last 25 years seeking spirit, learning, reaching for a connection to God/All That Is. She has taken many classes throughout the years, to fine tune the listening and interpretation of spirit messages. Cyndy teaches meditation, tarot and healing energy classes locally in Oklahoma, and hosts the Spirit Fair and open group gallery readings here in the Midwest.

### **MANIFESTING HEALTH, WEALTH AND HAPPINESS BY DOWSING THE CHAKRAS**

In this class we will learn different ways to dowse the chakras in order to manifest health, wealth and happiness. We'll learn how to recognize what is holding us back for ourselves or others. We'll learn new techniques to dowse with, or communicate with our body because it is the barometer of our soul, letting us know when we are missing the mark. Then we can track the progress of our evolution to keep motivated. Perhaps most importantly, we'll learn how to heal our triggers which show where we are still stuck in our humanness. The more we can remain out of the emotional gunk, the more time we will spend where "All Things Are Possible."

- 1) Chris Healing Technique: Rejuvenates body, organs, systems, and functions
- 2) Chakra Maintenance and Measurements
- 3) Shortcut for Activating New Energies and Frequencies
